Don t think just buy, read it learn from it try to understand it, come up with new business models, write down questions and send them to me lets work together as there is plenty of room in this Blockchain space a simple license agreement from us to you and you will be in business. Buy the book sit back take your time reading it as I have put multiple note sections in there for you to write questions down and also think about new use cases and business models then contact me. For the first time in history the blockchain has given us the genuine ability to replace interest this is in of itself prophetic hence the title of the book Blockchain Prophecy. The eight major granted blockchain patents that we hold were not to play god but to guarantee we could introduce and therefore implement these products and processes. The decentralized nature of the blockchain is to share the wealth by default. This is also a guide for those in the consulting and advisory space like McKinsey, Bain, KPMG, PWC, Deloitte. Stay ahead of everyone else by understanding everything that I have written in side this book. You will have knowledge that you did not have before because this is the first time it has ever been written and compiled into one...
