Reviews

This publication is very gripping and intriguing. It is among the most awesome book we have go through. You can expect to like how the author compose this book.

(Dr. Malika Bechtelar II)

FINDING FLORIDA

Grove Press, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "A take-no-prisoners account . . . extremely timely and relevant."-- New York Times Book Review "Gripping."--Salon.com "A magisterial rip at the state's invaders, conquerors and rulers."-- Orlando Magazine "A rich and lively history of Florida, minus the Disney gloss . . . [Allman] shatters five centuries of mythmaking to tell the real story. . . . A splendid rendering of the messy human story of our fourth-most populous state."-- Kirkus Reviews (starred review) "Allman's engaging, eye-opening, and heavily researched history of Florida spans half a millennium, from the myth of Ponce de Len's Fountain of Youth to the 2012 shooting of 17-year-old Trayvon Martin, and it is a fulsome cavalcade of would-be conquistadors, epically corrupt and racist politicians, and oligarch wannabes."-- Booklist "An immense and important work."-- Bookforum "I loved Allman's extraordinary book. . . . Almost every county in Florida bears the name of a butcher, a slavedriver, a madman, a scoundrel or a thief, in a state where for half a millennium the governing mandate seems to be Defeat the Truth, Triumph over Reality. T.D. Allman's counter-narrative to all the pretty lies is a scouring hurricane of research, investigation, and soul-cleansing wrath, and I doubt there has ever been a better, or more important, book written about the Sunshine State, the birthplace of imperial hubris, American-style."--Bob Shacochis, author of The Immaculate Invasion and The Woman Who Lost Her Soul "Equal parts social analysis, historical review, and jeremiad, Finding Florida is a passionate, often scathing, and remarkably comprehensive encounter with a confounding, contradictory, and ever-elusive place. If your idea of hell is being chained to a galley oar between a politician and a Chamber of Commerce exec, then you are likely to...
