This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Full to the brim with tasty morsels and colourful stories, this genuinely intimate memoir will move, entertain and delight in equal measure. Si King and Dave Myers, AKA the Hairy Bikers have travelled an interesting road. Born in the north of England, both Si and Dave had their childhood challenges. For Si, being bullied as the fat kid in class was part of his daily school routine. For Dave, his life changed when he became a childhood carer for his mother. But through the challenges of their early years came a love of really good food. And it was food that brought Si and Dave together. Their eyes met over a curry and a pint on the set of a Catherine Cookson drama, and they knew they would be firm and fast friends for life. From deserts to desserts, potholes to pot roasts, the nation's favourite cooking duo reveals what made their friendship such a special and lasting one. They've eaten their way around the world a good few times, but have never lost sight of what matters: great friends, great family and great food. In this heartwarming memoir of friendship and hilarious misadventure, Si and Dave take you on the ride of their lives!
