Reviews

Basically no words to clarify. Of course, it is perform, still an amazing and interesting literature. Its been printed in an exceptionally basic way which is only soon after i finished reading through this ebook where actually altered me, change the way i really believe.
(Newton Runolfsson)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Ventures and Voyages In the years when sailing Ships were of two or three hundred tons, and dangers created a common de nominator, the intimacy of ship life was something undisguisable; and that notwithstanding the sharp punishments - the severe inhuman penalties - which the captain or master would employ to uphold his authority. At least he was able to know the characters and dispositions of his men, as is possible only where bulkheads are non-existent or few and fighting was at close quarters. It will be our aim in this volume to present, to revive, the pictures of the past, and to observe the mistakes and follies on both Sides. Primarily, then, we look forward to some stirring sea stories of actual historical truth but in secondary aim we have our Observation keenly adjusted for those intricacies of shipboard life which usually escape the attention of historians, yet are requisite for any adequate conception of the subject. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition.
