An Elementary Study of the Brain (Classic Reprint)

By Eben W Fiske

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from An Elementary Study of the Brain The introduction into the purely academic curriculum of an anatomical study of the brain, even as a higher course in zoology, presents many difficulties both to student and instructor. Its presentation, as differing from that in the professional school, must be necessarily of an elementary character - a necessity offering many obstacles with a subject which is essentially advanced. In the preparation of a textbook for such a course, neither the complexities of cerebral structure, nor the confusion of the associated nomenclature, can be successfully evaded. Yet the average academic student, only too often possessed of no especial interest in this department of science, is not only unschooled in anatomical research and terminology, but is likewise wholly unfamiliar with the principles upon which they are based. To avoid these difficulties, as far as practicable, has been, then, the underlying motive in providing for the beginner this very simple introduction to the anatomy of the human brain, using the brain of the sheep, because of its general availability, relative simplicity,...
