Brand New Book ***** Print on Demand *****.MEET ME AT THE BEACH is a pull -yourself-up-by-the-boot-strap memoir written by Michelle Dupree. Initially, the story begins as told by Michelle, then a carefree child. As the plot develops, you become glued to the enduring strength of a little girl and courageous spirit of a woman who survived events that would squash most people s soul. Michelle is the main character. A childhood marked by extremes: privilege, tenderness, truth, deceit, violence, hardship. Readers will twist and turn around the curves of this love story. Michelle has a way of leading you astray in such a way that you never see things coming. unexpected betrayals, a sexual assault, and mysterious reunions. It includes a love story that withstands a code blue and a bout of cancer, the test of time, and distance. It is a powerful testament of how a divided family in the throws of crisis can pull together. This story of forgiveness is a parable for all journeys. Read this book and be spiritually well fed and freed. MEET ME AT THE BEACH is Ms. Dupree s freaky-cheeky life story. It does what all good books should do. It transforms the human spirit because it is written with love and grace. The power stems from its narrative childlike perspective and unsentimental prose. The love story is VERY sentimental. You will read some of the most beautiful romantic poetry ever written. You will see gorgeous pictures. The author takes the reader on a leap into an untapped, all embracing terrain and the radical pendulum between love and hate. It is Haven Kimmel s nostalgic ZIPPY meets Augusten Burroughs RUNNING WITH SCISSORS told in a spunky narrative voice....
