The Memphis, 1891, Vol. 2: Journal of the Medical Sciences (Classic Reprint) (Paperback)

By Alexander Erskine

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Memphis, 1891, Vol. 2: Journal of the Medical Sciences Physicians are very apt to look with distrust upon an innovation either in theory or practice, and it is well that they are so in the main. But I do think as a class they are less apt to believe truth when they know it to be such, or less willing to join hearts and hands in an earnest endeavor to find the only true basis upon which the practice of their science can be predicated, than are other men. Most men by nature are conservative, and an education in what direction soever, is likely to leave an impression for life. Hence the difficulty in true progress. But considering the fact that physicians who are competent to carry on systematic experiments and take intelligent observations thereon, are generally the most liberal, I do the more cheerfully undertake the task of pressing the claim of a new theory. I refer to the one set forth by Dr. R. About the Publisher Forgotten Books publishes hundreds of thousands of rare...

Reviews

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It has been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.

-- Beverly Hoppe

Extremely helpful for all classes of individuals. Better than never, though I am quite late in starting to read this one. I realized this publication from my mother and dad suggested this ebook to discover.

-- Adela Schroeder II
