Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.I am sitting in the doorway of a house of the Stone Age-neolithic, paleolithic, troglodytic man-with a roofless city of the dead lying in the valley below and the eagles circling with lonely cries along the yawning caverns of the cliff face above. My feet rest on the topmost step of a stone stairway worn hip-deep in the rocks of eternity by the moccasined tread of foot-prints that run back, not to A. D. or B. C., but to those post-glacial aeons when the advances and recessions of an ice invasion from the Poles left seas where now are deserts; when giant sequoia forests were swept under the sands by the flood waters, and the mammoth and the dinosaur and the brontosaur wallowed where now nestle farm hamlets.
