Type Z Finance, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book, Understanding Money, is the first in my five part series on personal finance. The goal of this book is to begin to get you thinking about your attitudes and beliefs regarding the basics of personal finance: Money, earning, spending, saving, and investing. In thinking about these topics, you will begin to understand how your beliefs shape your financial behaviors for better or worse. This book is the foundation for all the information and discussion contained in the remaining four books on personal finance topics that you are almost sure to face in your life. Continue your journey through all five books and you ll be certain to Never Make an Uninformed Financial Decision Again. My name is Hayden Burrus. I am a Registered Investment Adviser and founder of Forward Financial Planners, LLC. Each week for several years I have educated and informed readers of on personal finance topics with the goal of enabling readers to manage their finances intelligently without the assistance of a financial adviser. That s right, I am a financial adviser (actually I call myself a Financial Coach) encouraging people to fire their financial adviser! For decades I have been researching financial products and services offered to individuals. During that time I concluded that virtually all of the offers from financial advisers are grossly overpriced compared to do-it-yourself options available to those investors willing to make a modest time investment understanding personal finance. I ve met advisers who have stated I ve never met anyone that doesn t need more life insurance. I ve met advisers who recommend widely discredited investments that underperform and have expenses 10x as large as the do-it-yourself options. I ve met...
