Animals feed, men eat, but only intelligent men know what to eat. - Brillat-Savarin. THIS Cookery Book is not meant to take the place of the hundred and more thick volumes that have been compiled within the last fifty years. It neither pretends to explain the various terms in use among the chefs of the haute cuisine, nor to indicate the innumerable ways of preparing fish, flesh, or fowl that every professed cook knows as well or better than most writers on the subject It is intended to give a few suggestions to women of the world who appreciate the advantages of well-prepared food, and know the value that such food has in married life. A series of well-chosen, well-cooked dinners, not necessarily large ones, will attract a man and keep him at home - interested and amiable - more than the ordinary woman supposes. In the interests of home life a well-cooked dinner is of more importance than a well-dressed wife. A man will admire a pretty dress, but in time he will get...
