Clear explanations of proven methods to enhance the dog-owner relationship are the cornerstone of this newly revised manual. The Tellington TTouch Method is currently being used not only by dog owners but also by trainers, breeders, veterinarians, and veterinary technicians, as well as in animal shelters around the world. Using a combination of 22 specific TTouches, leading exercises, and exercises over obstacles, a dog s performance and health is improved. Dog owners will learn to help their dog through a variety of problems, including excessive barking and chewing, leash pulling, jumping up and aggressive behavior, fearful biting or timidity, resistance to grooming, and hyperactivity or nervousness. Case studies showing different breeds demonstrate how many owners, some at their wits end, have used the TTouch Method to solve all manner of difficulties.
