

## The Century Volume 43

By -

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 660 pages. Dimensions: 9.7in. x 7.4in. x 1.3in. This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1892 Excerpt: . . . all grades from private to major-general, to the Union armies of 1861-65. With the rapid increase of urban population, the growing taste for outdoor and athletic sports, and the manifest advantages of club association, these volunteer organizations increased in numbers and in popularity. At the same time, however, there grew up a tendency to make the organi arms, and equipment of the United States army were adopted as far as possible; rifle-practice was rigidly required; additional armories were built for drill in winter, and camps of instruction were provided for field exercises in summer; the military codes in all the States were thoroughly revised and made as nearly uniform as possible; the courts martial were recognized by the laws of the State and as firmly established in their limited jurisdiction as any other courts, and the civil power of the sheriff and the marshal was invoked...

### Reviews

*It is an awesome publication which i actually have ever read through. it had been writtern really properly and valuable. I found out this book from my i and dad recommended this pdf to discover.*

*-- Doyle Schmeler*

*This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.*

*-- Brennan Koelpin*
