There might be limited job opportunities across the globe, yet every now and again, you meet amazing people who defy this perception; they have either created or assessed opportunities in their own countries or even moved away from "home" to access opportunities across the globe. This book is about such people, most of whom have a connection with Africa; non- Africans, who have found opportunities on the continent and Africans who are doing well in their own countries or elsewhere. Their footprints can be traced to Australia, Brazil, Botswana, Bolivia, Cameroon, China, Canada, The Democratic Republic of Congo, Denmark, Germany, Ghana, Iraq, India, Iceland, Liberia, Lithuania, Nigeria, Namibia, Peru, Pakistan, Poland, Qatar, Romania, Rwanda, Tanzania, The Netherlands, South Korea, South Africa, Singapore, The United Arab Emirates, The United Kingdom, The United States of America . Equally their fingerprints are on global brands like Accenture, Boston Consulting Group, The British Council, Deutsche Bank, EasyGroup, Facebook, Nestlé, McKinsey Company, Procredit, PwC, The United Nations . Their stories answer some tough questions like; What influenced their global direction? What challenges have they faced so far? What advice do they have for other graduates? What will they do differently if given another chance? and What makes them different from their peers? Their journeys and stories will inspire you to appreciate or reevaluate your own journey and make changes if necessary.
