THE FIELD GUIDE TO THE COMP PLAN: NAVIGATING YOUR WAY TO ABUNDANCE

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The first questions most people ask when starting a new job are When do I get paid? and How much? They re questions conditioned in us from the time we are kids doing our first odd jobs. And, we ask every single time we start new employment. Yet many of us forget about these questions when we begin working in a multilevel / network marketing / home-based business. Then we find our heads spinning, wondering how everything fits together. How does this happen? Well, most of the time- in Young Living- it s the women who jump into the business first. In other words, guys rarely look at the compensation plan because it s not their thing. As well, the fact is that most people who enroll as wholesale members with Young Living and later do the business never intended to do anything more than simply use the oils or just sell enough to fund their habit. As such, as the business starts growing and things start humming along, they find themselves with lots of action and little information. The compensation plan is complex- even if clear. In this Field Guide we ll walk through it. You ll learn. * How much work this will really take * How to jump-start a business that is new or has stalled for a bit * Steps to take to become financially free- or reach any other financial milestone between where you are and where you want to be * The power of residual income streams * Little-known programs Young Living has created that accelerate your success * How to understand terms like Unilevel, Shares, Generations, as well as the eight...
