Bantam Doubleday Dell Publishing Group Inc, United States, 2002. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Handsome, kind, and unassuming, Mr. Gray seemed the answer to Deborah Weyman's prayers. For once she accepted the position he offered, she would finally be safe from the notorious Lord Kendal, a man she had good reason to believe had murdered her former employer -- and was now after her. But there were certain things about Mr. Gray that Deborah should have noticed: the breadth of his shoulders, the steel in his voice, the gleam in his uncommonly blue eyes -- things that might have warned her that Mr. Gray was no savior, but a very dangerous man. Too tempting to resist. Though she posed as a dowdy schoolteacher, Lord Kendal saw right through her disguise to the treacherous beauty beneath. Now, convinced that she alone can tell him the truth about Lord Barrington's murder -- and the whereabouts of Barrington's young son -- he coolly masquerades as the innocuous Mr. Gray. And only when it's too late for Deborah to run will she learn what it means to be at his mercy -- and powerless to resist his seduction.
