

The Drama of Savage Peoples (Paperback)

By Loomis Havemeyer

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. THE GENESIS OF THE PLAY Many teachers of English lack the historical, political, and sociological background necessary to appreciate to the full the literature they strive to interpret for the student. And, on the other hand, many teachers of history, political science, or sociology lack the knowledge of literature and the arts which would lend a broader significance to their own branch. This book is written by a sociologist who has tried with success to trace in the recorded activities of primitive peoples the genesis of a great literary form. It is valuable reading, both for students of literature and for students of sociology. Taking imitation and action as the basic elements of the drama, Mr. Havemeyer endeavors to prove that the savage drama is the lineal antecedent of all modern forms, and hence that a knowledge of it is needful, in order to fill out the perspective and to afford a lapse of time sufficient to allow a conception of evolution in this social form. His proof consists in the presentation of a host of authenticated examples logically...

Reviews

This is the finest book i have got study right up until now. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
