This work is published by OUPress. Talmud learning lies at the heart of the Jewish soul and is a focus of Jewish education. Its study can profoundly impact its students, but multiple challenges confront the teacher of Talmud: Which sugya and mekorot should I choose? Which approaches will resonate most with my students? How do I find the sources that most effectively resolve the most difficult challenges in the sugya? And, of course, how do I find the time to prepare as well as I should? This experience-based work provides educators with a curricular resource that addresses these challenges in a user-friendly, clear and concise format. From the introduction to the book: This guide is meant to be a resource to assist Talmud teachers in their preparation for high school level classes. The sources that are cited are intended to provide important background knowledge for classes on any level, while more advanced classes may cover more of the sources inside the texts. In each sugya I highlighted the most central sources that...
