What Charlie doesn't know is that his problems are about to get a whole lot more real. Nightmares can ruin a good night's sleep, but when they start slipping out of your dreams and into the waking world that's a line that should never be crossed. And when your worst nightmares start to come true . . . well, that's something only Charlie can face. And he's going to need all the help he can get, or it might just be lights-out for Charlie Laird. For good. Praise for *Nightmares!* Book one is a New York Times bestseller and Texas Bluebonnet nominee!
