*This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

**PRIVATE TRUTHS (PAPERBACK)**

Dreamspinner Press, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.For two role models with their reputations on the line, privacy might be a luxury they can't afford, and love might be impossible. After returning from service, Army veteran Jack McCall fought his way back from addiction and joined a charity supporting homeless veterans in London, where he became an inspiration to others. He approaches Edward Marsden, Viscount Routhsley, a known playboy and philanthropist, about sponsorship for his charity. To his surprise, Edward isn't the shallow pleasure-seeker everyone assumes, and he and Edward share many interests. Little by little, they are drawn together in spite of the different worlds they come from. But for two men in the public eye, happiness won't be so easily achieved. Edward fears coming out as gay will shift attention from his charity work, and Jack worries his relationship with the aristocrat will undermine the integrity of his foundation. They come under intense scrutiny, leading to an inevitable clash between Jack and the press who won't stop harassing them. As what they've built comes crashing down, Jack and Edward must make a choice: continue presenting the facade the public expects, or expose the private truths in their hearts so they can be together.
