Caliber Comics, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In the sweltering summer of 1963, at the height of Cold War paranoia, CIA agent Robert Bob Maheu is sent to Cuba on a suicide mission: to humiliate Fidel Castro during a live television broadcast by dosing the dictator with LSD and making his beard fall out. Cold War buffs will enjoy its witty summation of that era's events while those unfamiliar with the history are likely to seek out more information on the topic when they're finished reading. This graphic novel...
