Yale University Press. Paperback. Condition: New. 256 pages. Dimensions: 9.0in. x 5.9in. x 0.7in. What is the nature of the relationship between memory, identity, and culture in a recently federalized nation In *Belgian Memories*, writers and scholars from a wide variety of disciplines, including ethnology, linguistics, philosophy, literature, history, film, art history, and geography, ask to what extent Belgium's literary and visual environment (from novels to paintings, comic strips to movies, and architecture to urban planning) reflects distinctly Belgian ways of dealing with the past. Such issues have become more pressing since Belgium has reconstituted itself politically and must deal with the prospect that it might itself become a memory. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
