

The Pain Management Handbook: Your Personal Guide

Filesize: 1.19 MB

Reviews

It in a of the best book. Indeed, it really is play, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE PAIN MANAGEMENT HANDBOOK: YOUR PERSONAL GUIDE

[DOWNLOAD](#)

SPCK Publishing, United Kingdom, 2011. Paperback. Book Condition: New. 218 x 140 mm. Language: English . Brand New Book. Chronic pain affects more than 8.5 million people in the UK and costs the economy 18 billion pounds a year in lost work days; while an estimated 30 , or up to 70 million people, also suffer in the US, where it s said to be the most costly health problem. Yet, according to one study, two out of three people say that their medication is not always adequate, while 96 of GPs believe there is significant room for improving treatment. Another survey found that a half to two-thirds of people with chronic pain are less able or unable to exercise, enjoy normal sleep, perform household chores, attend social activities, drive a car, or walk; while a quarter find that relationships with family and friends are strained or broken. Neck pain, back pain, arthritis, allergies and depression are listed as the top five chronic health problems. Once established, chronic pain is difficult to alleviate. However, research shows that pain management programmes do limit the experience of pain, improving physical functioning and reducing isolation and depression. This book is a step by step guide to managing pain that may be used by the individual or by groups; it may also be of use to health professionals.
