Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. We all love candy, right? Whereas some of us may crave chocolate, or others something a little more sour, but who doesn't love a fluffy marshmallow now and again? Nothing can bring back childhood memories more than a taste or even a familiar sweet smell. A lot of the confectionery you enjoyed as a child, however, contained artificial flavorings, colorings, and preservatives. Our 40 easy-to-make, homemade candy recipes are made using regular ingredients you can find in your kitchen cupboards. You can relive all the sweet moments from your childhood by making a selection of treats including Peppermint Patties, Honeycomb Brittle, Turkish Delight, and Divinity. If you've got a crush on candy, you can have fun making different types of confectionery from retro favorites to gourmet truffles.
