

Rosenzweig s Bible: Reinventing Scripture for Jewish Modernity (Paperback)

Filesize: 8.78 MB

Reviews

The publication is great and fantastic. It is probably the most remarkable book i actually have read through. Its been printed in an exceedingly easy way and it is merely right after i finished reading through this publication where in fact altered me, modify the way i think.

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2013. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Rosenzweig s Bible examines the high stakes, both theological and political, of Franz Rosenzweig s attempt to revivify the Hebrew Bible and use it as the basis for a Jewish textual identity. Mara Benjamin s innovative reading of The Star of Redemption places Rosenzweig s best-known work at the beginning of an intellectual trajectory that culminated in a monumental translation of the Bible, thus overturning fundamental assumptions that have long guided the appraisal of this titan of modern Jewish thought. She argues that Rosenzweig s response to modernity was paradoxical: he challenged his readers to encounter the biblical text as revelation, reinventing scripture - both the Bible itself and the very notion of a scriptural text - in order to invigorate Jewish intellectual and social life, but did so in a distinctly modern key, ultimately reinforcing the foundations of German-Jewish post-Enlightenment liberal thought. Rosenzweig s Bible illuminates the complex interactions that arise when modern readers engage the sacred texts of ancient religious traditions.
