*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.*

After a terrible argument with her father over their family property, Rebecca throws her kit into the back of her ute and heads north with her sheepdogs. A job as a trainee farmhand takes her into the rowdy world of country dances, Bundy rum and boys. When she at last settles down to a bit of study at agricultural college, her life is turned upside down by the very handsome, but very drunken party animal, Charlie Lewis. Will she choose a life of wheat farming on vast open plains with Charlie? Or will she return to the mountains to fight for the land and the river that runs through her soul? It s only when tragedy shatters her world that Rebecca finds a strength and courage she never knew she had, in this action-packed novel of adventure, dreams, heartbreak and love.
