Trafford Publishing, Canada, 2010. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Police veteran George Newton loves his work and the risks associated with it. His partner, Gene Wilson, dreams of becoming a criminal lawyer. Each officer believes they have seen it all, but something so bizarre is about to occur that neither of these men will ever be able to trust their gut instincts again. As Newton and Wilson cruise the streets of San Pedro, California, looking for gang activity, they see a middle-aged gentleman sitting in a vehicle on the side of the road. After they question the obviously intoxicated man, the officers allow him to walk to his house nearby to retrieve a pencil and paper. When he does not return, Newton and Wilson ring the doorbell and soon learn that Bill Balsam died at the hands of a drunk driver one year ago on that same street on the same night. Left with nothing but Balsam's driver's license and an abandoned truck, the two officers are suddenly thrust into a world where the paranormal collides with reality and no one believes their story. In this captivating thriller, only time will tell what will happen when two men in blue encounter events that cannot be explained-let alone accepted.
