

Want to Get Married?: Let s Find Out If It s Right for You (Paperback)

By Robert G Hartmetz

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. So you want to get married. You know it s the right thing to do because you love each other and you have been going together for over two months. So you know all about each other, so you think. Besides, all of your friends are married and you don t want to be left behind. Well guess what, the chances of ending up in divorce court are fifty percent and if you get married for all the wrong reasons, they may be close to one hundred percent. And oh boy, can a divorce be a nasty affair. I m not a marriage counselor! I m not a college professor! I m just a person who has been happily married to the same woman for 56 years. Both my wife and I had to go through all of the experiences, arguments and disputes that are covered in this book and have survived all of them without any thoughts of divorce on the part of either one of us. It is my sincere hope that you will put aside your personal issues like...

Reviews

It is an awesome publication which i actually have ever read through. it had been writtern really properly and valuable. I found out this book from my i and dad recommended this pdf to discover.

-- Doyle Schmeler

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
