

Winning His Way (Paperback)

By Charles Carleton Coffin

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Many years ago, before railroads were thought of, a company of Connecticut farmers, who had heard marvellous stories of the richness of the land in the West, sold their farms, packed up their goods, bade adieu to their friends, and with their families started for Ohio. After weeks of travel over dusty roads, they came to a beautiful valley, watered by a winding river. The hills around were fair and sunny. There were groves of oaks, and maples, and lindens. The air was fragrant with honeysuckle and jasmine. There was plenty of game. The swift-footed deer browsed the tender grass upon the hills. Squirrels chattered in the trees and the ringdoves cooed in the depths of the forest. The place was so fertile and fair, so pleasant and peaceful, that the emigrants made it their home, and called it New Hope.

Reviews

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It has been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.

Extremely helpful for all classes of individuals. Better than never, though I am quite late in starting to read this one. I realized this publication from my father and dad suggested this ebook to discover.
