Reviews

These types of book is the greatest ebook readily available. I was able to comprehend every little thing using this published e pdf. I realized this pdf from my dad and i encouraged this publication to discover.
(Dr. Porter Mitchell)

LORIA, VOL. 5: NOVEMBER, 1927 (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Loria, Vol. 5: November, 1927 My next hate is inspired by those who think a certain song is admirably suited to their voices and, therefore, render it upon every occasion. Of course, it usually isn't, but someone told them it was, they think so themselves, and the audience, by all laws of reason, common-sense, and what-not, should think so, too. A popular weakness to shriek a chromatic Obbligato to a ?ute has, lately, been manifest in a particular class of soprano lyric, I believe it is called. There are some, it is true, who emit a beautiful, golden cascade of exquisite melody not unlike the outbursts of the lark - but there are others, ah me, those others! They clench their hands tightly, throw back their heads and open their mouths wide for all to see, then proceed, in a series of two or three - usually more - notes behind the ?ute, up the scale, then all the way down again. The final note is preceded by a spasmodic heaving of the shoulders - a sort of mustering of forces - the mouth is opened a little wider, if possible, and a thin, unmusical scream rends the air and the ear drums. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
