

The Great Courtroom of Heaven: A Perspective of Romans (Paperback)

By James Wood

Createspace, 2012. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.The Law of Moses is good and holy, yet mankind is not. We know that there has been a change, because the Gospel declares there has been a change, but what are the ramifications of that change? The Great Court Room of Heaven gives insights into what happened when the legalities of the Law were fulfilled by Jesus the Christ and how this changed the Old Covenant into the New Covenant. The New Covenant is very important to understand for this is how God and man now interact. Though this may sound complicated, the legal terminologies have been translated into simple common language for easy understanding. The Great Court Room of Heaven is not a translation, though a lot of translating has gone into this. Since Jesus Christ has fulfilled the Law of Moses, there has been a change in the way God desires to interact with humans and how humans are able to interact with God, and that change is called The Good News.
