Anyone who has lived through twenty-seven bitterly cold Winnipeg winters, qualifies as a survivor. Now, he s hoping to find his soul mate; the woman he will spend the rest of his life with. When he meets teacher Mary Santucci, he feels he s found her. Their relationship blossoms, although they see many things differently. She loves swimming and he doesn t. She hates camping while he was a decorated Boy Scout. He s a meat eater, she s a vegetarian. He can finally see the suburban home and kids in his future, but a picket fence is not one of her priorities. Can they work things out, or will Donald face disappointment once again? 27 Winters and Counting. offers a strong mix of humour, romance, intriguing characters and all things Canadian, including that most quintessential of Canadian winter sports: curling. An entertaining read from cover to cover. To learn more about 27 Winters and Counting. visit.
