

Lifting the Veil: Volume II: The True Faces of Muhammad Islam Volume II

Filesize: 6.85 MB

Reviews

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.

LIFTING THE VEIL: VOLUME II: THE TRUE FACES OF MUHAMMAD ISLAM VOLUME II

AUTHORHOUSE, United States, 2011. Paperback. Book Condition: New. 230 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is primarily for those who are interested to learn about WHAT fuels the rage of Muslims against all those who do not believe as they do so much so, that they commit atrocities such as 9/11, 7/7 and others. WHY they would rather DIE Fi Sabil Allah / For the Sake of Allah in Jihad all over the world than LIVE. WHAT is the common denominator that underlines everything they think and do? It is based upon the transcripts of the YouTube series Idiots Guide to Islam of Q A that are listened to. Those who support the series requested they be put in book form for ease of referencing. The purpose of the series and the books is to enlighten, educate and inform step by step, an otherwise Quran and Sharia IGNORAMUS humanity among both so called Believers and Unbelievers regarding the Facts and Reality of the CULT of Muhammadan Islam. All references are based entirely upon the Arabic language in chapter and verse of the Quran, Hadiths, Arab and Islamic histories and sources. It analyses almost every relevant concept, precept, thought and idea in the Quran with extremely controversial, unusual and explosive conclusions and statements, so much so that YouTube terminated 133 videos so as not to offend Muhammadan Muslims. By the time one has either read this book or listened to even a small part of the series, one will become so knowledgeable about the Quran, Hadiths, Arab and Islamic histories, to such an extent, that never again could anyone be fooled, deceived or misled regarding these subjects.
