Brand New Book ***** Print on Demand *****.Excerpt from Public Ownership and Operation of Water and Rail Terminal Facilities Produce the Greatest Dispatch and Economy Furthermore, such port under such conditions is destined inevitably to become a mere convenience to such franchise owners, to be used by them as a trans-shipping point merely, without regard to the interests of the donors of the franchises, but with regard only to the profit of the corporations owning the same. This is the condition which is pressing with more or less severity upon all the port cities from Boston to Seattle - with the exceptions noted - and the problem of how these bonds may be broken has become the vital subject of consideration and effort on the part of all the cities affected. And in this connection it should be a source of pride to the people of San Francisco and New Orleans that these are being pointed out and designated as an illustration of how the problem may be and has been solved, and their policy and methods in this regard are being investigated and...
