There s always a good reason to party! You re never too grown-up for a teddy bear. There s lots more advice where that came from in Grin and Bear It, this adorable collection of wit and wisdom from America s favourite teddy bear, Corduroy. The book uses Don Freeman s signature scratch board art from the four classic Corduroy books to illustrate comforting and universal life lessons like: You re never too small to get where you need to go, and Love what you see in the mirror. Charming and inspirational, this is the perfect gift for graduation, or any other occasion when you need a little confidence boost.
