

Psychological Operations American Style: The Joint United States Public Affairs Office, Vietnam and Beyond

By Robert J. Kodosky

Lexington Books. Hardcover. Condition: New. 248 pages. Dimensions: 8.8in. x 6.1in. x 1.0in. Psychological Operations American Style examines the historical use of PSYOP by the United States in the twentieth century. Over six years into its War on Terrorism, and over thirty years removed from the Vietnam War, the United States continues to cling to its traditional style of PSYOP. It has remained a tangential weapon in the otherwise conventional arsenal employed by United States officials in the War on Terrorism. To the extent that Americans have utilized PSYOP, they have remained wedded to the notion of its use as a tactical offensive weapon meant to instill terror in their enemies. While often successful in the short term for securing defection and surrender, this type of PSYOP does little to win hearts and minds over the long haul. As experience in Vietnam demonstrates, using PSYOP only as a tactical weapon possesses the potential to undermine the nation's position by eroding its credibility. It offers civilian officials and military commanders the means to blur the distinction between information and persuasion in order to achieve immediate and demonstrable results. The use of such tactics by the Joint U. S. Public Affairs Office in...

Reviews

These kinds of publication is the greatest pdf available. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Lorena Streich

It becomes an awesome pdf that I have actually read through. It really is full of knowledge and wisdom You may like how the writer compose this book.
