## Teaching at Home: A New Approach to Tutoring Children with Autism and Asperger Syndrome

By Olga Holland

Jessica Kingsley Publishers. Paperback. Book Condition: new. BRAND NEW, Teaching at Home: A New Approach to Tutoring Children with Autism and Asperger Syndrome, Olga Holland, 'This book offers inspiration and encouragement for parents of children with Autism or Asperger syndrome who are considering home schooling their children, and also provides useful pointers for teachers and carers.' - Link: Autism Europe 'In this resource for parents, Holland describes an approach to teaching children with autism and Asperger syndrome that she developed with her own son, Billy (who now participates in a gifted and talented program). She offers practical advice on such issues as understanding body language, adapting the teaching environment, devising homework schedules, and coping with distractions.' - Book News Faced with the apparent inability of her autistic son Billy to learn and socialize with other children at school, Olga Holland decided to teach him at home. Where traditional educational approaches had produced limited results, the author's own method of teaching succeeded, over a period of two years, in enabling Billy to pass the test that allowed him to enter a class for gifted children. Teaching at Home explains the author's approach, focused on adapting to the demands of Billy's atypical...
