Reviews

These sorts of ebook is the best publication accessible. It is amongst the most amazing ebook i actually have read. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Jace Gusikowski IV)

WEAVER : TIME'S TAPESTRY BOOK FOUR

Ace Books, New York, 2008. Hard Cover. Book Condition: New. Dust Jacket Condition: New. First U.S. Edition. First U.S. edition/first printing; July 2008. Book and dust jacket in brand new condition; not a remaindered, library, or book club edition. -- As Hitler marches across Europe, a prophecy from the past is traced to the present, history becomes as uncertain as the future, and the Weaver's plans may be realized in the twentieth century's bloodiest conflict . . . It is a war that has been fought throughout the centuries -- with the fate of Rome to Christendom to modern America at stake. Now, in the early days of World War II, Germany launches a successful invasion of England. But in secret, they are waging a war on an even larger scale. Trapped in the middle of it are Mary Wooler, an American historian caught in the Blitz and tangled up in strands of history; her son Gary, fighting a ruthless invader at civilization's frontier; and Ben Kamen, a Jewish refugee whose dreams place him at the heart of a conspiracy that threatens the very fabric of the tapestry of time. Size: 8vo - over 7¾" - 9¾" tall.
