I've stolen an entire summer from my life and by the time it's over I plan to leave this place with a list in my hand. The ten things that make me happy, that's all I want to know. How difficult can it be? They may be small things - a perfect cup of coffee, a day without rain - or bigger ones. It's still the beginning so how can I know?' Addolorata Martinelli knows she should be happy. She has everything she thought she wanted - her own business, a husband, a child. So why does she feel as if something is missing? Then when her restaurant, Little Italy, is slated by a reviewer, she realises that she's lost the one thing she thought she could always count on, her love of food. So Addolorata heads to Venice for a summer alone, aiming to find the ten things that make her happy. Once she's found them, she'll construct a new life around her ten things, but will they include her life in London?. book.
