When you want to get a firm understanding of God's grace, where do you start? You could consult your concordance for every appearance of 'Grace' in the Bible. But what about those Scripture passages that don't use the word grace, yet are vital to understanding it? Reach for the Silver Medallion Award-winning Zondervan NIV Nave's Topical Bible. It broadens your scope beyond word searches to topical studies. Now you're ready to deal not just with key words, but with concepts. The Zondervan NIV Nave's Topical Bible improves on the original King James Version-based Nave's Topical Bible by adding more than 500 headings, 2,000 subtopics, and 1,300 cross-references. You'll find entries addressing contemporary issues such as abuse, ecology, homosexuality, and abortion -- all either directly including or else referencing the best-selling New International Version text, and easily usable with other translations as well. Goodrick/Kohlenberger numbering lets you also consult the Zondervan NIV Exhaustive Concordance to broaden your studies of specific Hebrew and Greek words. So when you're ready to dig deeper into the Scriptures, it's time to add this book to your core reference library. Its thoroughness will bring new dimensions to your Bible studies and help you gain sound scriptural perspectives on faith and practical living. This series is for the discriminating individual who wants only the best Bible study resources available in terms of both thoroughness of information and excellence in design.
