RENHALA (HARDBACK)

Amy Joy Lutchen (Self-Pub), United States, 2013. Hardback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Kailey Rooke, timid accountant, dedicated to philanthropic work, finds herself spiraling into a deep depression after she suffers a horrifyingly odd and humiliating assault, to only discover more of these freakish assaults occurring across the globe. A chance discovery leads Kailey to a meeting with elderly Gunthreon, actual master of persuasion. Gunthreon, who seems to know too much of Kailey's history for her liking, opens Kailey's eyes to a coexisting realm she never knew existed: Renhala, while entrusting her with the knowledge of her newfound power as karmelean, serving as a beacon to the Higher Ones. Kailey slowly starts revealing new talents, and Gunthreon is fascinated with what she starts achieving. She soon discovers that Renhala is in danger, and this danger has been leaking into her own realm. As she uncovers secrets within herself, and attempts to toughen up, she fuses with an unlikely band of fellow travelers (including a dragon, woodsprite, six-hundred-pound greble, her faithful female canine companion, and a giver), falls into an unexpected love triangle, deals with her sexy and flirtatious best friend's issues, and finds the courage to master a new deadly weapon. On her mission to save Renhala, Kailey will find herself running from life-threatening disasters, such as greble Tartarin, who likes to remind Kailey that when he catches her, he plans on eating her brains with ice cream; she'll run from the deadly meeple: small cute bunnies with talons and an undeniable thirst for imposing self-destruction on others. Kailey will also run into the possibility that a centuries-old Renhalan rumor is true, that advanced technology existing in Kailey's realm shortens all life...
