## ME AND THE GENIES (PAPERBACK)

Evolved Self Publishing, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Tapping into one of the central controversies of our time, Me and The Genies is two books in one. Its a humorous novel about the romance between cynical Henry Lazard and beautiful Sung-Tin. Its also an introduction to the battle positions taken up by evolutionists and creationists over the thorny issue of human origins. Read the book straight through to where Sung-Tin pops the Question, or turn to it chapter by chapter for background on particular issues about human origins as they come up. Or read it just for the unusual feat of a writer ingeniously juggling two totally different genres at the same time. The ideas and issues dealt with here through fiction also appear as manifesto in Save Our Selves from Science Gone Wrong by the same author.
