Active table of Contents The volume which we now send forth, contains careful translations of Patrick's extant literary efforts, and an account of every known and important transaction of his life. It also furnishes sketches of the labors of Ninian and Kentigern in Scotland, and of the life and labors of Columba, the apostle of the Northern Picts of Caledonia, probably the greatest Irishman who ever served the Saviour. It relates the wonderful story of the Hibernian mission from Iona to the pagan Anglo-Saxons, presided over by Aidan, Finan, and Colman, which, by the grace of God, resulted in the conversion of at least two thirds of that people, whose descendants to-day own so much of the wealth, commerce, territory, power, and missionary enterprise of the world. Augustine, the Italian Archbishop of Canterbury, and his fellow-monks, were little more than pioneers in the conversion of the Anglo-Saxons. This glorious Hibernian success rests upon evidence as strong as that which makes it certain that William the Conqueror gained the victory over Harold at...
