### **Reviews**

*This published publication is fantastic. it had been writtern very perfectly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*(Junius Herman)*

## TOMMY IGOE - GROOVE ESSENTIALS 2.0 BKCDVD

Hudson Music. No binding. Condition: New. 120 pages. Dimensions: 11.5in. x 9.2in. x 0.8in.(DVD). The second volume of the best-selling original Groove Essentials features a DVD and companion bookCD package with 53 brand new grooves and over 100 variations for intermediate to advanced players. Students will learn the difference between ghost and grace notes (while being encouraged to experiment with both in all six groove families) as well as important go-to grooves, like the Train and Bo-Diddley beats. For more advanced players and professionals, GE 2. 0 introduces the concepts of groove construction, interpretation and manipulation- training drummers to think like musicians in order to maximize their full potential. The DVD features more than 70 new songs covering 44, 22, 68 and 34 time signatures, with three levels of difficulty for 54, 78 and 98 meters. On the 3-hour, 45-minute DVD, Igoe discusses and demonstrates each groove in multiple tempos, alone and with a band, with many patterns shown on both acoustic and on Roland HD-1 and TD-9 electronic drumkits. The grooves span rock, funk, R and Bhip-hop, jazz (sticks and brushes), worldspecialty, extreme tempos, all-purpose, hybrid, rideless, classic and odd-meters. The companion play-Along book and CD contain over 90 tracks, including every song from the DVD in their full-length versions, minus the drums; allowing drummers to expand their skills by playing any of the grooves with a band and recording themselves on audio or video (optional) to helpfacilitate the learning process. These tracks also supply a variety of fill-in and soloing opportunities to challenge advanced players. In addition, the book features Igoes extended global tours that will test even the most seasoned professionals chops, creativity and stamina and, as a first of its kind bonus, there is a full-length orchestral play-along track designed to provide a taste of playing...
