

Dirty Work: Ian Rankin and John Rebus Book-by-Book (Paperback)

By Ray Dexter, Nadine Carr

Lulu.com, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The unauthorised and ambitiously definitive guide to Ian Rankin and John Rebus, now including EVEN DOGS IN THE WILD! In 1987 Ian Rankin published the first John Rebus book; even he didn't know what he was unleashing. Nearly thirty years later Rankin and Rebus are the kings of crime fiction, but they are more than that. The books are cultural history of Scotland too. This is the all-purpose handbook to the John Rebus universe. Contained in this volume is everything you could reasonably want to know about the books, their creation and the characters within them, from the birth of the character to the old man staring retirement in the face. The book will answer such questions as: why is Rankin obsessed with Saabs? Why doesn't Siobhan Clarke age but perhaps more importantly it will get to the heart of why we all love John Rebus so much.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- *Ally Reichel*

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
