SOFT COMPUTING ON RESERVOIR CHARACTERIZATION & PRODUCTION FORECASTING

Soft Computing on
Reservoir Characterization &
Production Forecasting
Application of Higher-order Neural Network on
Production Forecasting and Adaptive Genetic
Algorithm for History Matching

LAP Lambert Academic Publishing Mrz 2017, 2017. Taschenbuch. Condition: Neu. Neuware - Production forecasting and reservoir modeling play vital roles in optimal field development plan and management of petroleum reservoirs. This motivates engineers to develop computationally efficient and fast numerical methods capable of constructing history matched reservoir models producing reliable production forecasts. Relatively two new soft computing techniques successfully applied for automatic history matching and production forecasting. The first approach is artificial neural networks (ANN) based modeling, and the 2nd...

Reviews

This pdf is great. It normally does not price excessive. I am pleased to explain how here is the greatest ebook i have got study inside my own lifestyle and might be he greatest publication for possibly.

-- **Hanna Hansen**

It becomes an amazing pdf which i actually have at any time read through. This can be for all those who statte there had not been a worthy of reading through. You wont sense monotony at anytime of your own time (that's what catalogues are for relating to should you check with me).

-- **Claud Kris**
