## THE EGG OF ZERO (PAPERBACK)

BLOODAXE BOOKS LTD, United Kingdom, 2007. Paperback. Condition: New. Language: English . Brand New Book. The zero at the heart of these poems is not nothing - not simply absence, forgetting or loss, though there are moving elegies among them. This is a not-quite-definable zero that gives surprising edge to life and language round it. Direct, meditative, playful, hyper-alert, Philip Gross s distinctively wide range of tones work together in a subtle, searching new collection that addresses both the mind and heart. Nature, people, the obscurities of one s self, yield up their otherness in those epiphanic moments when Gross peripheral eyesight catches them off guard. His is a voice that is mordant, obsessive, compelling - but nonetheless grateful for the rewards of living - PBS Bulletin . Philip Gross knows how to make silence and suggestion resonate.he touches an alien, intractable dimension.Gross s poems are about lost bearings and blurred frontiers - Terry Eagleton, Independent on Sunday . He should be recognised as one of England s very best poets, not only for the exuberance of his imagination, but because of what he is writing about - John Greening, Times Literary Supplement . Many of the poems convey a deep awareness of this fragility and downright improbability that forms the core of our lives.[enabling] us better to treasure our ordinary moments - the taken-for granted, charted ground - Kate Keogan, Acumen .
