If these are supposed to solve the chaos in our homes, why are our homes still disorganized? It s because organizing your home does not start in your home. It does not begin with the things you own or in the space you have. Organizing starts in your mind. In I Think, Therefore: My Home, Professional Home Organizer Lisa M. Snyder shares the secret to functional organizing and long-lasting results. She shares how everyone can have a home that supports their hopes, their dreams, and the way they want to live by changing the way they think about themselves, their homes, and their habits. Whether you see your entire home as a dysfunctional place, or you are looking to simply clear up that closet you can never seem to make work, I Think, Therefore: My Home offers real, useful, and permanent solutions that address the core of the issue, not just the surface. You can have the home you ve always dreamed of having: a tranquil place that will launch your life into greater and better things. And it all starts in your mind.
