Reviews

*I just started off reading this article pdf. It really is simplistic but shocks in the fifty percent of your ebook. You will not truly feel monotony at at any time of the time (that's what catalogues are for about when you request me).

POLAR BEAR FAMILY ADVENTURES

Crabtree Publishing Co,US, United States, 2016. Paperback. Book Condition: New. 236 x 211 mm. Language: English . Brand New Book. Students will love learning about the way of life of polar bears and the challenges they face as babies and adults. An exciting narrative format supported by fun facts, questions, and activities, tells the story of two polar bear cubs born in a den dug by their mother deep under the winter snow of the Arctic. The cubs snuggle up to their mother to drink her milk and keep warm. In spring, the mother and cubs emerge from the den and face the challenges of moving onto sea ice, where the hungry mother hunts for seals to eat. The cubs are given hunting lessons and have their first taste of seal. They ride on their mothers back in the ocean, wrestle and play, and explore their cold habitat. Readers will love these majestic animals and learn to write their own stories about them.
