## THE COMING WOMAN A NOVEL BASED ON THE LIFE OF THE INFAMOUS FEMINIST, VICTORIA WOODHULL

Sartoris Literary Group. Paperback. Condition: New. 336 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. If you have a heart, if you have a soul, Karen Hicks' *The Coming Woman* will make you fall in love with Victoria Woodhull. Kinky Friedman, author and Governor of the Heart of Texas: What kind of confidence would it take for a woman to buck the old boys club of politics in 1872? More than 140 years pre-Hillary, there was Victoria Woodhull. This book takes you back with a breathtaking, present-tense birds eye view into a time when women's liberation was primarily confined to one woman's very capable, independent mind. I couldn't put it down. ---Ruth Buzzi, Golden Globe Award winner and Television Hall of Fame inductee. Sadly, too many Americans have never heard of Victoria Woodhull, let alone learned of her story: her revolutionary campaign for the presidency at a time when women weren't even allowed to vote, her support for workers rights, or her feminist commitment to equality, a century before the official battle over the Equal Rights Amendment. But in *The Coming Woman*, Karen Hicks brings Woodhull's efforts to life, and reminds us that some of our nation's greatest figures aren't always featured in the history books. It is a riveting account of an amazing woman and her struggle for justice and human dignity, told in an engaging and eminently readable style. Tim Wise, author, *White Like Me: Reflections on Race from a Privileged Son*. *The Coming Woman* is a novel based on the life of feminist Victoria Woodhull, the first woman to run for U. S. President, 50 years before women could even vote! Running for President wasn't Victoria's only first as a woman. She was also the first to own a successful Wall Street firm, the first to publish a successful...
