Brand New Book ***** Print on Demand *****.This book was written because for many years Dr. White-johnson has been constantly asked how do you do it all? She works hard to go hard and this is what this book is all about. This book provides a glimpse into her world. the things that she does daily that keep her on the right side of life. Is she perfect? Hell no! But is she a fighter? Hell yes! With every inhaled breath that she breathes and to the core of her...
